

THE TWO-FOUR-O CLUB

The Southwold Railway Trust is planning to construct "Blyth", the Sharp Stewart "No 3" 2-4-0 locomotive that was delivered in 1879 and ran on the Southwold Railway for nearly fifty years. We have £8,000 in the Loco Fund to make a start and, thanks to local builders Duncan & Son, a well-appointed shed in Southwold in which to build it. We have already installed two 15 foot lengths of original 30lb rail on sleepers to support the construction but eventually the loco will run on a three foot gauge track on the Southwold Railway Steam Park sited at the end of Blyth Road, Southwold. Planning permission for this was granted in February 2009.

We have launched the Two-Four-O Club to generate monies required for the project by seeking sponsorship in £240 "shares" relating to specific components, 169 of which are listed here. This is being offered first to members, but subsequently to local businesses and individuals. *(Any member who has already contributed to the Loco Fund can nominate a component for any previously donated sum of £240 (or multiple thereof) or upgrade a lower contribution to that figure and do likewise).* 500 shares are being issued to raise £120,000 for the components with the actual assembly being undertaken by volunteers, ourselves and others, including local schools and colleges with which we are trying to establish links. We may also attract some Heritage Lottery money. *(We have used the word "share" but this is not used in the normal company sense).*

To sponsor a component, please fill in the enclosed 2-4-0 Club Donation Form. If the Gift Aid part applies that is obviously helpful to us adding another 25% which can go towards the assembly process.

TWO-FOUR-O CLUB DONATION FORM

I would like to sponsor "Blyth" component number/s.....
described thus:.....

I enclose a cheque made payable to Southwold Railway Trust for the
sum of £..... (being a multiple of £240).

Name

Address.....

.....

Postcode.....Tel No

email address.....

GIFT AID DECLARATION
